THIS MESSAGE IS RESPECTFUL YOURS,

I contacted you because of my present condition here in the hospital, I am writing this mail to you with heavy tears in my eyes and great sorrow in my heart, My Name is Mrs. Rose Mohamed Attia, I am a British citizen, and I am contacting you from a hospital in Germany (CCCLMU - Cancer Center Munich Germany), I wish to inform you about my present condition, because I don't have any other option than to contact you as my spirit directs me to you to open up to you, after going through your remarkable profile in Google because I never knew you before nevertheless I believe that my spirit will not fail me, I am married to Mr. Mohamed Attia Mohran, who worked with the Egyptian Ambassador in Germany for nine years before he died in the year 2020 and is also a politician before he died in the year 2020. We got married in the year 2004 for sixteen years without a child before he died and after his death I cannot be able to get hold of myself because of the love we share together.

He died after a brief illness that lasted for only five days. After his death I decided not to remarry, When my late husband was alive he deposited the sum of US\$ 5.500.000 million. (Five Million Five hundred Thousand Dollars) in a bank in Berlin the capital city of Germany in Europe. Presently this money is still in the bank. He made this money available from exportation of bituminous coal and brown coal (lignite) Germany

Recently, my doctor told me that I would not last for the period of seven months due to cancer and stroke predicament. The one that disturbs me most is my cancer of the throat illness. Having known my condition I decided to hand this money over to you to take care of the less-privileged people, you will utilize this money the way I am going to instruct herein. I want you to take 30% of the total money for your personal use. While 70% of the money you will use to build an orphanage home in my name and help the poor people in the street. I grew up as an Orphan and I don't have anybody as my family member, just to endeavor that the house of God is maintained. Am doing this so that God will forgive my sins and accept my soul in paradise, because this illness has suffered me so much.

As soon as I receive your response I shall give you the contact of the bank in Germany and I will also instruct the Bank Manager to issue you an authority letter that will prove you the present beneficiary of the money in the bank when you assure me that you will act according to my wish as Stated herein.

Yours sincerely,
Mrs Rose Mohamed
